

Year End Eligibility

The same horse/rider combination must show to **QUALIFY** at a **minimum** of **4** shows at **3 different** member locations. A horse/rider combination must:

1) Ride no more than 2 consecutive levels at a show (USDF, USEF Rulebooks DR119.2). Competitors and trainers should review the *USEF Guidelines on the Welfare of the Horse in the 21st Century*, especially Section II. G. 1-3. Those competitors preparing for USDF/USEF shows should review the current drugs and medications rules.

2) Points will be given according to scale below only to 6th place. One participation point awarded to each place after 6th place.

3) In addition to High Point totals YEA awards, a High Percent Award is given for the single highest percentage (%) score at a division level.

4) YEA given to 6 places. Riders are responsible for checking point totals.

5) Have a current negative Coggins test to present at every show.

 Rider must mark the correct box on Entry Form if scores are to count toward Year End Awards.

QCDC uses the USDF Freestyle tests. If sufficient entries warrant, a Training Level MFS award will be given. A freestyle at *any* level requires *movements* from the highest test of the level. Riders are responsible for downloading and reading the current USDF score sheet.

Points for QCDC Year End Awards are accumulated by a graduated scale depending on the number of completed rides in each class.

Example:

3 riders - 3 pts. for 1st, 2 pts. for 2nd, 1 pt for 3rd.

7 riders - 7 pts. for 1st, 6 pts. for 2nd, 5 pts. for 3rd, etc.

8 -10 riders/class - 8 pts. for 1st, etc.

11-15 riders/class - 9 pts. for 1st, etc.

16 + riders/class - 10 pts. for 1st, etc.
