

# 2007 SECOND LEVEL TEST 1

This Test Modified by NWAHA and Reprinted with Permission of USDF

**Purpose:** To confirm that the horse, having demonstrated that it has achieved the thrust (pushing power) required in first level, now shows that through additional training it accepts more weight on the hindquarters (collection), shows the uphill tendency required at the medium gaits and is reliably on the bit. A greater degree of straightness, bending, suppleness, throughness, balance and self-carriage is required than at First Level.

(Anything in parentheses should not be read)

**Condition:** Arena: Standard: Avg. Time: 6:00: Maximum Possible Points: 380
